

The Liberal Democrats say, "Dacorum must

- *Halt the Local Plan Consultation*
- *Do the Sums Again*
- *Plan for the Local People, not for Downing Street"*

Dacorum's Local Housing Plan is Flawed.

When the Government changed its policy, ***Dacorum should have changed its Strategy.***

But they didn't.

They just went for an inefficient Quick Fix to bolt onto the work they'd already done.

But they took the easy way out with a thoughtless grab at Green Belt Land.

The half-baked plan which they came up with is inefficient.

They are planning for too many of the wrong houses in the wrong places.

It wastes acres of farmland and beautiful countryside and damages the setting of the Chilterns Area of Outstanding Natural Beauty

And it plans for too many houses where there are too few local jobs, making commuting worse.

Finally it will overwhelm Tring and Berkhamsted, put strain on our communities and overload local facilities.

All to placate an uncaring government that most of us don't support!

Dacorum Local Plan Petition

Dear Resident,

...have your say on the Housing Plans Where You LIVE

The Liberal Democrats have been active locally in opposing the size and scope of the proposed Dacorum Local Plan. We have:

- Tabled motions at Dacorum Borough Council requesting that the consultation be postponed since it cannot be effective during covid restriction
- Carefully analysed the statistics behind the Local Plan in terms of the impact of housing targets and algorithms on individual council areas as compared to similar areas nationwide, in the south of England and bordering on London.
- Challenged the Minister to explain the methodology behind Dacorum's target and particularly on his choice of 2014 ONS housing estimates as his baseline, rather than the more recent 2018 estimates
- Challenged the Borough Council to explain the huge increases in planned houses in Berkhamsted and, especially, in Tring (a 55% increase).
- Written to both local MPs, Rt Hon Sir Mike Penning MP and Gagan Mohindra MP asking for support.

- 1. Write to Your MP**
- 2. Sign the Petition either on <http://tring.lib.dm/KeepTringGreen> or as Overleaf**
- 3. Respond to the Consultation before 28th February, 2021**

Leaflet delivery by the Liberal Democrats is being done in accordance with the law and follows strict public health guidance. We take similar, careful safety precautions to other organisations, including Royal Mail.

We have worked with lawyers at **Operation Talla** in the National Police Chief's Council to confirm the legal position, as well as taking independent legal advice.

Decisions about how to keep in touch with residents have been made locally following a strict and rigorous protocol. This protocol assesses whether the volunteer exception is reasonable in local circumstances, by considering carefully whether: *it was reasonable for the volunteer to leave home in order to achieve the outcome intended by the delivery of the leaflets and that it was not reasonable for that outcome to be achieved from home.* (Operation Talla. 09/02/2021). The Chief Constable has been informed.
